

FAMILY & LACTATION ROOMS

University of
Wisconsin-La Crosse

FAMILY & LACTATION ROOMS

The University of Wisconsin La Crosse provides family and lactation rooms to support nursing individuals to return to work, school, or campus. A family and lactation room is a dedicated space designed for individuals who need to express breast milk or want a quiet location to feed an infant. All UWL family and lactation rooms are private, clean, and secure spaces that include a sink, comfy chair(s), sink, soap, paper towels, outlets, table(s), and display a room occupied sign when in use. These rooms are available for use by faculty, staff, and students.

Student Union – 1st Floor (1138)

Centennial Hall – 3rd Floor (3210)

Wittich Hall – Lower Level (0209)
