Original Submission 01/28/2024

Score n/a

Each accredited program requires its own separate annual report. For example if your institution has two accredited programs e.g. Therapeutic Recreation and Recreation Management you will complete two separate annual reports.

Section 1: Contact Information

Name of institution University of Wisconsin-La Crosse

Name of Accredited Program Recreation Management

Total number of students enrolled in this program. 45

Name and contact information of the Primary Contact for your COAPRT Accredited Program(s). All communications will be sent to this person. Laurie Harmon

Position Title Department Chair

Address 2036 Health Science Center
1725 State Street
La Crosse
Wisconsin
54601-2629
US

Email	lharmon@uwlax.edu
Phone	+16087858213
Department Name	Recreation Management & Recreational Therapy
Website	https://www.uwlax.edu/academics/department/recreation-management-and-recreational-therapy/
Formal Name of your Institution's President	Interim Chancellor Betsy Morgan

Section 2: Intent to Pursue Accreditation

Does the academic unit intend to pursue accreditation or re-accreditation as originally scheduled?

Yes

Regional Accreditation: Is the institution currently accredited by the appropriate regional accrediting association approved by the Council for Higher Education Accreditation (CHEA) or by the current national accrediting body (Standard 1.02)?

Yes

Section 3: Statistics Summary Report - Faculty

Are there a minimum of two full-time faculty members and a minimum of one additional full-time equivalent faculty position (FTE) assigned to and instruct in the program? (Standard 1.03)

Yes

Do a minimum of two full-time faculty members hold a degree of masters or higher, and a degree of bachelors or above in parks, recreation, tourism or related field?
(Standard 1.04)

Yes

Do all individuals instructing in the program have the competence and credentials in the subject matter for which they are responsible?
(Standard 1.05)

Yes

Section 4: Statistics Report - Students Note: Council adopted the Graduation Rate definition used by the National Center for Education Statistics, <https://nces.ed.gov/ipeds/use-the-data/survey-components/9/graduation-rates>. As required by the Council on Higher Education Accreditation (CHEA), COAPRT is mandated to engage in “regular, critical, self-evaluation of its performance, standards, policies and impact” (CHEA Standard 12.M.1). This process includes “the review of aggregate information regarding the extent to which the accredited institutions or programs are achieving their expectations for student learning” (CHEA Standard 12.M.1). To meet this CHEA standards we are collecting the following program level data: Graduate school acceptance rate, post-graduation employment rate, and six-year graduation rate. This data will be collected and reported for each COAPRT accredited program within your department and not aggregated across multiple COAPRT accredited programs. Suggested sources of evidence for this program-level data could include alumni or senior exit surveys completed within x months of graduation, centrally collected data if it can be dis-aggregated for each of your programs, self-report in a department data-base, etc.

Six-year graduation rate

83.33%

Graduate school acceptance rate	Report the number of last year's graduates from the accredited program who indicated they have been accepted to graduate school, the percent of the graduating class this number represents, the method of data collection, and the response rate or percent of graduating students for whom you have data. See examples below: Example A (have data) Number accepted to graduate school: 7 Percent of graduating students: 11% Method of measurement: Survey collected three months post-graduation Response rate: 83% of graduating students responded to survey Notes: We will monitor and assure we continue to achieve a response rate of greater than 80% Example B (have data) Number accepted to graduate school: 3 Percent of graduating students: 18% Method of measurement: Self-report on department database Response rate: 53% of graduating students Notes: We haven't worked to increase our response rate but will now use a student-employee to help us secure a response rate of 85%
Graduate School Acceptance Rate	1 student accepted to graduate school. 6% of graduating students.
Method of measurement	First Destination Survey & National Student Clearinghouse Search
Response rate	61%
Notes	Total of 18 students graduated, 11 had information.
Post-graduate employment rate	Report the number of last year's graduates from the accredited program who indicate they are currently employed (your program needs to determine if it will count part-time, employment outside the PRT profession, if it will subtract out those students from the total count who are not seeking employment for whatever reason, etc.), the percent of the graduating class this number represents, the method of data collection, and the response rate or percent of graduating students for whom you have data. See examples below: Example A (have data) Number of employed students: 56 Percent of graduating students: 78% Method of measurement: Self-report on department database up to three-months post-graduation. Academic advisor reminds students to submit their employment data during the three-month window. Response Rate: 89% Notes: Not applicable Example B (have data) Number of employed students: 36 Percent of graduating students: 64% Method of measurement: Self-report on department database Response Rate: 44% of graduated students Notes: We haven't ever followed up with students to increase our response rate, we will have our part-time club advisor do that in the future to bring up our response rate to at least 80%
Post-graduate employment rate	10 students employed. 56% of graduating students
Method of measurement	First Destination Survey & National Student Clearinghouse Search
Response rate	61%
Notes	Total of 18 students graduated, 11 had information.

Section 5: Narrative Report - Learning Outcomes Assessment For the next section, please report learning outcomes - one for each of the 7.01, 7.02, 7.03, and 7.04 (for a total of four measures) of student learning and the related outcomes for each program. These outcomes should be a part of your program's annual assessment plan as indicated in COAPRT standard 2.05.05 and will also be published on the COAPRT Program List webpage. You will complete this for each of your COAPRT accredited programs. For instance, if you have two accredited programs such as a Recreation Program and a Therapeutic Recreation Program, you will submit two sets of learning outcomes - one set for each program. It is strongly suggested that you have your outcomes with you as you complete this questionnaire. TWO of the three outcomes must use direct measures. Some examples of DIRECT measures include the following: Capstone Assignment Quality Comprehensive Examination Internship Evaluation Performance of Relevant Skill Portfolio Evaluation Pre/Post Test Result Presentation Quality Project Quality Standardized Test Result Thesis/Project Quality Video/Audiotape Production Quality Written Assignment Evaluation Writing Exam Result Some examples of INDIRECT measures include the following: Advisory Board Evaluation Alumni Survey Curriculum Review Result Employer Survey Result Exit/Student Interview Result Focus Group Result Graduate School Acceptance Rate Honors/Awards Received by the Program

Section 5-1: Narrative Report - Learning Outcomes Assessment Please provide the following information COAPRT expects all programs to demonstrate that student learning outcomes associated with its 7.0 Series Learning Outcomes are met at a 70% level. Therefore, student achievement will be judged as appropriate when 70% or more of the students being assessed demonstrate that they have accomplished the learning outcome.

PROGRAM (include name of program and description): Please provide a short description of this COAPRT program, it will be published on the COAPRT Program online directory.

Recreation Management Program
The Recreation Management Program at University of Wisconsin - La Crosse is the only nationally accredited recreation management program in the University of Wisconsin system. The mission is to train students in the skills of the recreation profession and instill an appreciation of the vital role of leisure in people's lives. An experiential approach to our teaching makes students uniquely competitive in the recreation job market and proves an excellent transition into the recreation profession. The program services students interested in a range of professional careers. Four emphasis areas (tourism, community-based recreation, outdoor recreation, and generalist) provide the opportunity to create a personalized program of study. Graduates find employment in government agencies, YMCAs, Boys and Girls Clubs, campus, environmental education, military bases, tourism enterprises, resorts, and other for-profit recreation organizations ranging from retail to direct service providers.

<p>Provide the program-specific learning outcome consistent with COAPRT Standard 7.01: Students graduating from the program shall demonstrate the following entry-level knowledge: a) the nature and scope of the relevant park, recreation, tourism or related professions and their associated industries; b) techniques and processes used by professionals and workers in these industries; and c) the foundation of the profession in history, science and philosophy.</p>	<p>We conceive of this competency as developing foundational knowledge about history, civic engagement, management, legalities, the environment, and diversity, equity, and inclusion as they inform recreation, park, and tourism related practices. Data are provided in the following courses (though additional data are collected as well). REC 325 (Leisure in a Diverse Society). This course requires students to demonstrate an understanding of ability to recognize stereotypes and prejudice affecting leisure experiences and leisure services delivery (7.01a) REC 351 (Civic Engagement in the Recreation Profession). This course requires students to demonstrate an understanding of techniques that may be used to effectively involve the public in recreation issues and decision making (7.01b) REC 150 (Foundations of Recreation). This course includes a stand alone unit where students learn the philosophical foundations of leisure and the history and development of recreation (7.01c)</p>
<p>Describe the method by which the learning outcome for Standard 7.01 was assessed:</p>	<p>REC 325: Students complete an External Agency Assessment project which includes illustrating understanding of 7.01a. REC 351: Unit B from a summative exam is given which includes a series of questions assessing students' understanding of 7.01b techniques. REC 150: The summative unit exam is used to assess student learning specific to 7.01c.</p>
<p>Indicate whether this outcome measure is Direct or Indirect.</p>	<p>Direct</p>
<p>State your program's standard for demonstrating that your Student Learning Outcome for 7.01 was successfully achieved.</p>	<p>REC 325: The goal is for 90% of students to achieve 70% or better on the External Agency Assessment. REC 351: The goal is for 90% of students to achieve 70% or better on the summative exam REC 150: The goal is for 80% of students to achieve 70% or better on the summative unit exam.</p>

<p>Result of the assessment of the learning outcome for Standard 7.01:</p>	<p>REC 325: Spring 2023 - 100% of students achieved 70% or better on the External Agency Assessment. REC 351: Spring 2023 - 93.8% of students achieved 70% or better on the summative exam. REC 150: Fall 2022 - 99.3% of students achieved 70% or better on the summative unit exam. Spring 2023 - 97.1% of students achieved 70% or better on the summative unit exam.</p>
<p>Please provide the program-specific learning outcome consistent with COAPRT Standard 7.02. Students graduating from the program shall be able to demonstrate the ability to design, implement, and evaluate services that facilitate targeted human experiences and that embrace personal and cultural dimensions of diversity.</p>	<p>Provision of services and experiences includes recreation programming, environmental education, site planning and design, and experience evaluation. We further acknowledge that to best serve our clientele, we must provide solutions to overcome stereotypes and prejudice in the leisure field. Data are presented in the following courses (though additional data are collected as well): REC 301 (Recreation Programming). This course assesses students' abilities to: a) articulate a process for developing appropriate, purposeful, and meaningful goals and objects for recreation programs and events; b) critically discuss and describe fundamental components of program/event design, implementation, and evaluation; c) identify trends pertinent to the development innovate programs and events; and, d) design & implement a recreation program/event in conjunction with a community partner to meet programmatic goals, objectives, and outcomes. (7.02a & 7.02d) REC 340 (Evaluation Methods and Practices). This course assesses students' abilities to a) write properly worded mail and phone survey question; b) describe the proper steps used to complete surveys; c) use basic statistical applications to interpret data; and, d) write a survey report with findings and recommendations (7.02a, 7.02b, & 7.02c)</p>
<p>Describe the method by which the learning outcome for Standard 7.02 was assessed:</p>	<p>REC 301: These outcomes are assessed through the Individual Program Plan Project. REC 340: These outcomes are assessed through the summative Final Research Project.</p>
<p>Please indicate whether this outcome measure is Direct or Indirect.</p>	<p>Direct</p>
<p>State your program's standard for demonstrating that your Student Learning Outcome for 7.02 was successfully achieved.</p>	<p>REC 301: The goal is for 95% of students to achieve 70% or better on the Individual Program Plan Project. REC 340: The goal is for 90% of students to achieve 70% or better on the Final Research Report.</p>

<p>Result of the assessment of the learning outcome for Standard 7.02:</p>	<p>REC 301: Fall 2022 - 100% of students achieved 75% or better on the Individual Program Plan Project Spring 2023 - 100% of students achieved 75% or better on the Individual Program Plan Project REC 340: Fall 2022 - 100% of students achieved 70% or better on the Final Research Report. Spring 2023 - 100% of students achieved 70% or better on the Final Research Report.</p>
<p>Please provide the program-specific learning outcome consistent with COAPRT Standard 7.03. Students graduating from the program shall be able to demonstrate entry-level knowledge about operations and strategic management/administration in parks, recreation, tourism and/or related professions.</p>	<p>Management/Administration includes civic engagement, leading, planning, and organization. Data are presented in the following course (though additional data are collected as well): REC 400 (Planning for Park and Recreation Facilities). Students successfully completing this course will have the following competencies: 1. Understand the various components of a park and recreation comprehensive plan; 2. Assess and implement relevant federal, state, and local statutes specific to a park and recreation comprehensive plan; 3. Engage citizenry in the park and recreation planning process; 4. Analyze park and recreation facility plans for effectiveness;</p>
<p>Describe the method by which the learning outcome for Standard 7.03 was assessed:</p>	<p>REC 400: These outcomes are assessed by the summative scores on a semester long planning project and through the formative score on the sub-component of the project called Inventory & Analysis.</p>
<p>Please indicate whether this outcome measure is Direct or Indirect.</p>	<p>Direct</p>
<p>State your program's standard for demonstrating that your Student Learning Outcome for 7.03 was successfully achieved.</p>	<p>REC 400: The goal is for 95% of students to achieve 70% or better on the semester long planning project and 95% of students to achieve 70% or better on the Inventory & Analysis sub-component of the semester long planning project.</p>
<p>Result of the assessment of the learning outcome for Standard 7.03:</p>	<p>REC400: Fall 2022 - 95% achieved 70% or better on the semester long planning project and 90.1% of students achieved 70% or better on the Inventory & Analysis sub-component of the semester long planning project.</p>

<p>Please provide the program-specific learning outcome consistent with COAPRT Standard 7.04. Students graduating from the program shall demonstrate, through a comprehensive internship of not less than 400 clock hours and no fewer than 10 weeks, the potential to succeed as professionals at supervisory or higher levels in park, recreation, tourism or related organizations.</p>	<p>All Recreation Management majors must complete a minimum of 12-credits of REC 450 (Internship) as the summative experience of their RM degree requirements. Students apply the five core internship areas of experience design & facilitation, professional ethics, diversity & inclusion, evaluation, and leisure, quality of life, and well-being through a comprehensive, full-time internship of continuing experience in one appropriate professional recreation or tourism organization of not less than 400 clock hours and no fewer than 10 weeks.</p>
--	---

<p>Describe the method by which the learning outcome for Standard 7.04 was assessed:</p>	<p>The Internship Supervisor Final Evaluation is used. The measure is a tool in which the Internship Supervisor completes a summative assessment of student accomplishments in 5 core competency areas. The ratings are on a 5-point scale from “Exceptional = 5” to “Unacceptable = 1”. Students are assessed in the areas of “Performance”, “Knowledge”, “Attitude”, and “Behavior” in the following core competencies: Experience Design & Facilitation Professional Ethics Diversity & Inclusion Evaluation Leisure, Quality of Life, and Well-Being</p>
--	---

<p>Please indicate whether this outcome measure is Direct or Indirect.</p>	<p>Direct</p>
--	---------------

<p>State your program’s standard for demonstrating that your Student Learning Outcome for 7.04 was successfully achieved.</p>	<p>The goal is for 100% of students to achieve 70% or better on the assessment.</p>
---	---

<p>Result of the assessment of the learning outcome for Standard 7.04:</p>	<p>In Fall 2022 there were no interns. In Spring 2023, 100% of students achieved 70% or better on the assessment. In Summer 2023, 100% of students achieved 70% or better on the assessments.</p>
--	---

An important aspect of accreditation is accountability. It is expected that the program annually posts 7.0 series aggregated data and additional evidence reflecting program academic quality and student achievement on their program and/or departmental website. Such information shall be consistent with The Family Educational Rights and Privacy Act (FERPA) requirements (Standard 2.05.05).

Please provide a link to the program's website that demonstrates compliance with Standard 2.05.05.

<https://www.uwlax.edu/academics/department/recreation-management-and-recreational-therapy/accreditation/>

It is expected that a program has a practice of informing the public about the harm of degree mills and accreditation mills (Standard 3.06).

Please provide a link to the program's website demonstrating compliance with Standard 3.06.

<https://www.uwlax.edu/academics/department/recreation-management-and-recreational-therapy/accreditation/>

It is expected that the program has a practice of informing the public about their COAPRT accredited programs (Standard 3.07).

Please provide a link to the program's website demonstrating compliance with Standard 3.07. <https://www.uwlax.edu/academics/department/recreation-management-and-recreational-therapy/accreditation/>

Section 7: Program Changes

Clearly describe any major changes for the reporting year in the program's strategic plan, curriculum, resources, administration, or other areas of the program directly related to accreditation standards. Please include the Standard number. If there are no major changes in any of these areas, please just indicate "none".

No major changes were made in this reporting year.

The responses are self reported and the responsibility for the accuracy of the content is on behalf of the program.
