

First Destination Report for 2022-23 UWL Bachelor's & Associate Degree Graduates

99% of UWL 2022-23 graduates were employed, continuing or planning to continue their education, or serving in the military or a service program within first six months of graduation. Data is based on a knowledge rate of 74% from all sources including First Destination Survey responses, National Student Clearinghouse data, and web based searches. Results indicate that 1% were still seeking employment; all but 1 respondents were seeking either work or education. Approximately 68% of graduates were working or studying in Wisconsin as determined by location of employer or graduate school. A total of 2180 Bachelor's and Associate Degrees were earned (total student count of 1,998), data was reported or found for 1610 of the degrees (74%), leaving 26% of the degrees without any information (representing 525 students).

Notes: ****bolded, italicized*** average salary based on 5 or less reports. Salary data hidden for majors with only one student report. NR= no salary data reported. Career outcomes include the counts for those continuing education, employed, volunteering, and serving in the military. The counts in these tables represent the total numbers of majors earned by students, therefore the same student might be counted in multiple majors and colleges. Data was collected from the First Destination Survey, enrollment data from the National Student Clearinghouse, and web based reports. Location of employment or educational institution used to determine post graduate Wisconsin residency. **one student deceased in this major.

Produced by the Office of Institutional Research, Assessment, and Planning in cooperation with Academic Advising Center & Career Services Office
