Not all students earn 120 credits needed to earn a bachelor of science degree by completing General Education, CBA core, and major courses. Some students will need university electives to earn 120 total credits. It is suggested that students consider adding a minor, certificate, or take elective courses to compliment their major and career goals.

### REQUIREMENTS FOR GRADUATION

- Fulfill the University's General Education Program requirements.
- Earn a minimum of 120 semester credits with at least a 2.00 cumulative grade point average (GPA) Note that GPA requirements for some programs may be higher than 2.00.
- At least 40 credits must be earned in 300 and 400 (upper division) numbered courses.
- Earn a minimum of 30 credits at UWL.
- Complete CBA core requirements, and department major and minor requirements with at least a 2.00 cumulative grade point average in the business core and the business major (Accountancy requires minimum 2.50 major gpa).
- Complete at least 50% of the business course requirements (core and major) at UWL.
- Submit "Intent to Graduate" in WINGS.

Policies, prerequisites, and course descriptions are stated in the University Catalog. This guide should be used with the catalog to ensure general education, CBA core, major/minor, and graduation requirements are met.
