

SOE Admission Application

Welcome to the School of Education Admission Application. Thank you for your interest in applying to the School of Education!

Upon completion, you will receive an email confirmation that you completed the survey. **Your survey is incomplete if you do not receive an email confirmation.** Please note that partially completed surveys will not be accepted. Please do not exit the survey by closing the survey tab. This will result in an incomplete application.

The application survey closes at 4:00 p.m. on Friday, September 20, 2024. Late applications will not be accepted except in extenuating circumstances – see the [SOE admissions webpage](#) for more information on how to request an exception.

Criminal Background Check: The WI Department of Public Instruction (DPI) requires that candidates for admission to a teacher education, administration, or pupil services program successfully pass a criminal background check (CBC) as one criterion for admission. By applying for admission to one of these programs, candidates agree to provide the necessary personal information to UWL in order to initiate their CBC, and to complete their portion of the process prior to the deadline specified in their admission letter. Teacher candidates are responsible for all costs associated with the criminal background checks. The current cost for a routine initial CBC is set by the vendor at **\$24**. Additional fees can apply for individuals who have lived in multiple states or countries, and the fee is subject to change at any time by the vendor. Admission decisions by programs are contingent upon a successful CBC clearance decision by the UWL Office of Field Experience.

iPad purchase: Teacher candidates who are admitted to the School of Education are required to have an iPad that meets SOE specifications. Once you are admitted to SOE, you will be provided information on how to purchase an approved iPad through the SOE iPad order survey. **The fee for the iPad is financial aid eligible and will appear on your tuition bill in the semester following admission to SOE.** Teacher candidates who purchase their own device outside of the SOE process and

without pre-approval do so at their own risk. Please contact SOE if you are seeking pre-approval for purchase of a device outside of this process. Currently, the cost for the latest version (10th generation) is set by the vendor at **\$569 (pre-tax)** and may be higher depending on whether you select optional accessories. Please note that the cost is subject to change by the manufacturer/ vendor at any time.

Meeting the minimum admissions criteria is not a guarantee of admission. **Some programs are competitive, and resources limit the number of students who are admitted. Not all students who apply are admitted to the School of Education.**

Questions about the admissions process, criteria, or your eligibility for admission should be directed to your academic advisor. CRIMINAL BACKGROUND CHECK RELEASE FORM

I hereby authorize the University of Wisconsin-La Crosse, School of Education, and Office of Field Experience to obtain criminal records about me from any source. I also authorize the Office of Field Experience to provide such records to third parties for the purposes of evaluating my application for acceptance into the School of Education and my teacher education program, and for release to the UWL Youth Protection Officer and/or their designee for the purposes of compliance with UWL Youth Protection Policies on working with K-12 youth on campus. I also understand that I may need to provide such information again prior to field experience, internship and/or student teaching. If I have been charged with, convicted of, pleaded guilty or no contest to, or forfeited bail for any criminal conduct under law or ordinance, and the nature of the charge or conviction is incompatible with the responsibilities of working in a K-12 setting, the School of Education and/or the Office of Field Experience reserve the right to deny admission into the teacher education program. Further, if I have been charged with, convicted of, pleaded guilty or no contest to, or forfeited bail for any criminal conduct under law or ordinance, and the nature of the charge or conviction is

incompatible with the responsibilities of working with K-12 youth on campus as determined by the designated campus authority, UWL and/or the Youth Protection Officer reserves the right to deny participation in activities involving K-12 youth on campus. I hereby acknowledge that during the course of my program I shall notify the Office of Field Experience as soon as possible, but no later than the day after the event occurs, when I have been convicted of any crime or have been or are being investigated by any governmental agency for any act or offense. I further acknowledge that if I fail to abide by this, the University of Wisconsin-La Crosse, School of Education, and Office of Field Experience have the right to immediately terminate my participation in a field experience, internship, practicum or student teaching placement and/or request I meet with the Teacher Candidate Progress Review Committee. I hereby release such third parties and the Board of Regents of the University of Wisconsin System, its agents, employees, and officers, including the University of Wisconsin-La Crosse, School of Education, and Office of Field Experience from any liability that may arise from the disclosure of any information referenced by this form or from the University of Wisconsin-La Crosse, School of Education, and/or Office of Field Experience terminating me from an internship, practicum or student teaching placement as described in the immediately preceding paragraph or from any actions received by the Teacher Candidate Progress Review Committee. I hereby

also release such third parties and the Board of Regents of the University of Wisconsin System, its agents, employees, and officers, including the University of Wisconsin-La Crosse, School of Education, and Office of Field Experience from any liability that may arise from the disclosure of any information referenced by this form or from the University of Wisconsin-La Crosse, School of Education, and/or Office of Field Experience denying me participation in activities involving K-12 youth on campus. I understand that this form is in effect until my degree is completed at the University of Wisconsin-La Crosse, unless I revoke it in writing and provide such revocation to the Office of Field Experience. I further understand that if I choose to revoke this form, I may not be able to continue in my teacher preparation program.

If I do not grant the SOE permission to perform a criminal background check, I recognize that I will not be admitted to my teacher education program, which includes participation in professional coursework and clinical experience.

NOTE: Students who are scheduled to complete the online criminal background check will receive an email with instructions on how to do so within one month of receiving an admission letter to the School of Education and the aligned teacher education program.

I have read and understand the above authorization, acknowledgement, and release, and agree to the terms and conditions. *Please type your full legal name:*
