

BUILDING YOUR SCHEDULE

You already have a partial schedule. Today you will register for additional courses to complete your fall schedule. To be a full-time student, you need at least 12 credits; we do not recommend more than 16 in your first semester.

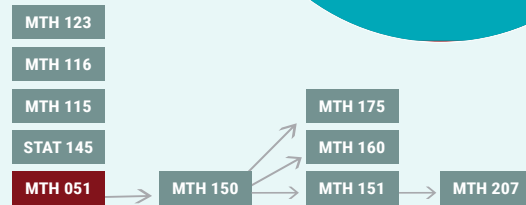

Most of the courses you register for today will be **GENERAL EDUCATION REQUIREMENTS**. These are courses outside of your major that give you knowledge and skills essential for independent learning and critical thinking – e.g. life after college.

This document includes a list of general education categories and courses. With the help of an advisor, you will select general education courses to complete your fall schedule.

UWL staff cannot release your personal information regarding your college education without your permission. You may set up a FERPA Secure PIN for yourself and up to three guests to allow UWL staff to verify your identity or to discuss educational information, with some exceptions, with the guest who has the PIN. Login to your WINGS account, and click on UW-LaCrosse > FERPA Secure PIN > Set/Update FERPA Secure PIN. Granting access to view/pay bills is done separately through CashNet.

THINGS TO CONSIDER

WILL YOU HAVE TRANSFER CREDITS COMING IN TO UWL?

This includes: courses from other institutions, Advanced Placement (AP), College Level Examination Program (CLEP), and International Baccalaureate credit (IB). Make sure to tell your advisor about any potential college credit you may have. Remember to have the scores and/or final transcript with grades sent to UWL as soon as it is available.

DO YOU PLAN TO BE INVOLVED IN BAND OR MUSIC ENSEMBLES?

Refer to the flier in your folder to see course numbers for music ensembles. You should register for any music groups for which you intend to audition.

WILL YOU PLAY AN ATHLETIC SPORT AT UWL?

Talk with your coach and advisor about scheduling around practice times. You may need to register for the appropriate section of ESS 100 for team conditioning.

HAVE YOU CHANGED YOUR MIND ABOUT YOUR MAJOR?

Attend the advising session of your NEW major. There will be an opportunity to change your major today.
